Nesse contexto é necessário definir mecanismos de acompanhamento, monitoramento e avaliação para garantir a efetivação na prática, de que as metas definidas no PME sejam alcançadas.

A Secretaria Municipal de Educação de Timon, órgão responsável pela gerência da Política Pública de Educação, compete cumprir, monitorar e avaliar o cumprimento e estratégias do PME, assim como garantir o suporte técnico e administrativo para as ações do Fórum Permanente de Educação, fortalecendo o regime de colaboração.

Os órgãos responsáveis por acompanhar e avaliar a implementação e execução do Plano Municipal de Educação serão o Conselho Municipal de Educação e o Fórum Municipal de Educação junto à Câmara Municipal, na tramitação de projetos referentes à política educacional do município de Timon.

A partir da aprovação do Plano Municipal de Educação, serão realizadas periodicamente ações estratégicas de monitoramento e avaliação através de: Seminários, Conferências Municipais, Audiências Públicas, sob a coordenação do Fórum Municipal de Educação que divulgará as deliberações.

O referido Plano será avaliado de 2 em 2 anos para verificar se as metas propostas estão sendo cumpridas, ou seja, realizar balanços dos resultados alcançados. A avaliação deverá ser realizada com a participação popular para garantir o exercício da cidadania.

A primeira revisão do Plano Municipal de Educação deverá ser realizada impreterivelmente após dois (2) da sua aprovação tendo em vista sua atualização e articulação.
